Emergency Disaster Planning  
Fire Alarm Communications  
Fire Behavior  
Fire Control  
Fire Extinguisher  
Fire Prevention/Public Fire Education  
Forcible Entry  
Hose, Nozzles, Appliances  
Ladders  
Personal Protective Equipment  
Pumps/Ops & Maintenance  
Rescue Training  
Ropes Training  
Safety Training  
Salvage & Overhaul  
Strategy & Tactics  
Ventilation  
Water Supply

#### **Administration & Organization**

KYFIRS  
NFIRS

#### **Apparatus**

Emergency Vehicle Driver Operator  
IFSTA Pumping Apparatus Driver/Operator  
IFSAC Driver Operator

#### **Fire Prevention**

Preplanning/Inspections

#### **NFA Courses**

Arson Detection for the First Responder  
Building Construction—Protected Structures  
Building Construction—Wood/Ordinary  
Public Fire Education Planning  
Emergency Response to Terrorism  
Health & Safety Officer  
Haz Mat for the BLS Provider  
Incident Analysis  
Incident Command System  
Initial Response to Haz Mat Basic Concepts  
Initial Response to Haz Mat Implementation  
Incident Safety Officer  
Leadership I—Company Success

Leadership II—Personal Success  
Leadership III—Supervisory Success  
Managing Company Tactical Operations—Preparation  
Managing Company Tactical Operations—Decision Making  
Managing Company Tactical Operations—Tactics  
Pesticide Challenge  
Preparing for Incident Command  
Recognizing & Identifying Haz Mat  
Volunteer Fire Service Management

#### **Fire Suppression**

Fire Control—NFPA 1403  
Foam  
Wildland Fire Suppression  
Flammable Liquids & Gasses

#### **Hazardous Materials**

The Pesticide Challenge  
Incident Analysis  
Recognizing & Identifying Haz Mat  
Initial Response to Haz Mat Basic Concepts  
Initial Response to Haz Mat Implementation  
Haz Mat for the BLS Provider  
Hazardous Materials Technician  
Emergency Response to Terrorism: Basic Concepts

#### **Personal Protective Equipment**

Self-contained Breathing Apparatus  
Personal Protective Equipment

#### **Rescue**

Aircraft Crash Rescue  
Firefighter Survival & Rescue  
NFPA 1670 Technical Rescue: Awareness

#### **EMS Courses**

Blood Borne Pathogens  
HIV/AIDS

#### **Specialized Training**

Computer Assisted Mgt of Emergency Operations (Cameo)  
Radiological  
Rural Firefighting Seminar (Davis and Husted)  
Fire Alarms: Automatic Detection  
NFA: Fire Prevention for First Responders and Small  
Departments, Clandestine Drug Labs, "Haz Cat Kit"  
Workshop (Chemical Identification of Haz Mat)  
NFA: Fire Service Supervision  
Radiological Emergencies  
CDP: Weapons of Mass Destruction Technician  
DOJ: Post-Blast Investigation  
IAAI: Expert Witness Courtroom Testimony
