Additional Courses Requested by County or Multiple Departments

If your county or department collectively pools training hours, a memorandum of agreement must be signed by the chiefs or training officers of each department in addition to this form. An agreement form will be sent upon request. Please note that some courses require multiple instructors and additional hours for each instructor assigned to the class. Example: Propane: 8 hours X 6 instructors = 48 total training hours. Email: casey.hall@kctcs.edu or Kimberly.todd@kctcs.edu for additional information.

- | | |
|--|---------------------------------------|
| ___ Basic 150 Hour Fire Training | ___ IFSAC: Aerial Operations |
| ___ County Fire School
(# of classes based on hours donated from participating departments) | ___ NFPA 1403 |
| ___ Firefighter Survival & Rescue
